

Crossroads Garden is located on the east side of 30th street. The entrance is north of the Jiffy Lube. A picture of the entrance is below.

Follow the drive way until it ends. You will be in front of the Crossroads Garden Building. Then take a right.

The entrance to the parking garage will be on your left.

The only way to enter the building is through the parking garage. You can take the elevator or the stairs to suite #305.
